EXPERIENCE

JUNE 2017 - PRESENT

Czarnowski

UX / UI Designer

Working with interdisciplinary teams to design and develop interactive experiences ranging from large touch screen experiences to vehicle configurator displays. Also, working as the marketing designer developing a rebrand for Czarnowski including a full visual identity system, motion graphics, environmental graphics, and an interactive brand guidelines website.

SEP 2016 - JUNE 2017

Sun and Snow

Graphic Design Intern

Working in collaboration to extend the brand across multiple mediums including digital, print and interactive.

MAY 2016 - SEP 2016

Big Tomorrow

Visual Design Intern

Designed large scale posters, books, presentations, interactive websites, and interfaces to help guide client meetings and better tell the story of the project.

SEP 2015 - MAY 2016

CCS Graphic Design Department

Graphic Design Work Study Student

Assisting the graphic design department faculty with designing internal communication assets including motion graphics, posters, instructional forms, and other printed collateral.
